

MARYANNE RICKETTS IS THE EIGHTH PRINCIPAL OF WESTSIDE HIGH SCHOOL

August 15, 2011 marked the opening day of the 2011 school year in the Westside District. The first day of school always symbolizes a new beginning, a fresh start and a clean slate. This day was no exception for Maryanne Ricketts, a familiar face to students and alumni alike, as she began her thirty-third year with Westside in the principal's office (on the good side of the desk...).

Ricketts has served Westside as a counselor, dean of girls, assistant principal and most recently as vice principal. Her vast experience and her close relationship with immediate past principal Pat Hutchings will surely make for a seamless transition as she takes the helm.

In her welcoming message, Ricketts wrote she is passionate about the outstanding array of opportunities Westside provides to each student based on his or her particular strengths and needs. Specifically, she stated:

“One of the greatest challenges we face every day at Westside is preparing students for the future. We know success for each student does not look the same. For some, it is being prepared to attend and graduate from a college or university. For others, success is defined by student preparedness in a chosen trade or vocation. Still for others, success is gaining life skills to adapt to change, solving problems, facing challenges with resilience, and contributing to their community in a positive way. Westside understands there is more than one single pathway to success for all students, which is

MaryAnne Ricketts, Principal Westside High School

why we provide multiple pathways for each student to tap their potential based upon their unique set of skills.”

“I can assure you our outstanding staff is dedicated to providing the best possible education for all students in a safe and caring environment. We will continue the Westside tradition of setting high standards and high

Westside High School is very fortunate to have the experience and leadership of Principal Ricketts. She is well prepared to our lead our alumni of the future in the manner we have grown to expect and admire.

WESTSIDE HONORS NEW HALL OF FAME INDUCTEES

Joe Sloan, '72

Joe was a multi sport stand out in his years at WHS. He earned letters in football, basketball and golf. It was on the golf course where Joe excelled as an athlete at WHS. Joe was a district and state individual champion in golf in 1971. He is the only male athlete in Westside history to be an individual state champion in golf. In 1971, the boy's golf team finished second in the state. They were also district and metro champs that year. As a senior, he was co-captain of the basketball team. That team was the first team in Westside history to win the metro conference. They ended the season with a 17 - 2 record. The golf team repeated as metro and district champs his senior year and they placed 6th at state. As a graduating senior, Joe was asked to speak at the WHS commencement ceremony. After high school, Joe enrolled at the University of Nebraska-Lincoln and went on to medical school at the University of Nebraska Medical Center. Joe is currently a physician in Scottsbluff, NE. He is married to Nancy Sloan.

Megan (Hurley) Clayberg, '85

Megan was a two-sport athlete at WHS. She did play soccer, but that wasn't a school sport at that time. She was honorable mention All-State in volleyball in 1984 and started on the basketball team for 3 years. Megan was named best female athlete in the class of 1985 by the Westside coaches. After high school, she took her skills to Wayne State where she played basketball and volleyball. It was on the volleyball court where she excelled and was named All Conference in 1987 and 1988. She also played 2 years of basketball at Wayne State. After college, she became a very successful college volleyball coach. Megan has a career record of 348-92 (a winning percentage of .790), which is second among all NCAA DIII coaches. She coached 3 national championships and 1 third place finish. She was named NCAA DIII coach of the year in 1988 for Central College in Iowa. She was inducted into the Wayne State Hall of Fame in 2002. After 12 years as a highly successful college volleyball coach, she stepped down to spend more time with her family. Megan is currently teaching and coaching in Pella, Iowa. She has been married to Brett Clayberg for 18 years. They have 4 children - Nathan (grade 9), Noah (grade 7), Natalie (grade 4), and Nolan (grade 1).

Greg Armitage, '91

Greg was 2-sport standout for WHS. He earned letters in football and track from 1988 to 1991. In football, he was the starting quarterback in 1989-90 and captain in 1990. He was honorable mention All-Metro his

senior year. In 1991 he was the All Class Gold medal winner in shot put and discus. He threw the discus of 183'11", which is a school record. His throw of 57'3" was a school record until Tim Green broke it in 1999 (Greg was Tim's throws coach). He had the longest throw in the discus that year and second longest shot put his senior year. He was also a member of the National Honor Society. After high school, he had an excellent athletic career as a hammer thrower for the University of Nebraska-Lincoln. He lettered 7 times in indoor and outdoor track from 1993 to 1996. He was a 2-time Big 8 Champion in the 35 lb. hammer throw in 1995 and 1996. He was the UNL record holder in the hammer throw at 207'2" until that record was broken in 2007. He was Academic All Big 8 for 4 years and on the Deans list at UNL for 5 years. He is currently an Accounting Manager at FBL Financial Group in West Des Moines, Iowa. Prior to becoming a CPA, he coached football, basketball, and track at WHS. Greg is married to Cheryl and has 2 boys, Clark and James, with a third boy on the way.

Ira Cooper, '00

Ira Cooper was 3-sport athlete at WHS. It was in football and track that he excelled in high school. He was a 4-year letterman in football from 1996 to 2000. There are probably only a handful of freshman in the metro to ever play on the varsity level in football. He lettered in track from 1996 to 1999. He also lettered in basketball in 1998 and 1999. In football, Ira received all state honors in 1999 and 2000. He excelled as a running back and linebacker. In track, he was a two time gold medalist in the 300 m hurdles and held one of the state's best times of 37.82 seconds. After high school, he accepted a football scholarship to the University of Nebraska-Lincoln. He was a 4-year letterman as a linebacker and special teams player. He is married to Fatafehi Cooper and they have 2 children, Ira Clayton and Teleita Mele Cooper. He is currently employed at Union Pacific.

Jim Tangdall, Coach

When one thinks of Jim Tangdall, one may reflect on all of his contributions to the success of District 66. He was athletic director and assistant principal before becoming principal in 1970. He then served as principal for 14 years. He also served as the superintendent from 1988 to 1992. As an administrator at WHS, he was instrumental in starting modular scheduling at WHS. Jim has also been inducted into the Westside Alumni Hall of Fame. He made great contributions as a basketball coach at Westside High School. Jim was the first coach to take a basketball team to the state tournament. Starting his career at Westside as a varsity golf coach and assistant

basketball coach in 1957, he eventually became the head boys basketball coach in 1960 and was head coach for 7 years. After winning only 3 games in his first two years, he turned around the program with a team record of 13-8 in 1962. His best season was 1964-65, when his team went 18-5, which set a school record. They reached the state semi finals and were rated number one in the state for 3 weeks. This was the first time Westside High School ever qualified for the state boys basketball tournament. The following year, they finished 17-4 and were second in the state. Both years, the team finished second in the newly formed metro conference. Jim is originally from Superior Nebraska, where he graduated from high school. He then went on to the University of Nebraska-Lincoln, majoring in math. After graduating from UNL in 1954, he was commissioned as a graduate of NROTC and served in the Navy for 2 plus years and came to WHS in the fall of 1956. Jim is and his wife have 3 children, Laurie, Steven and Kris, who are all WHS graduates. They also have four grandchildren.

Ron Huston, Athletic Director

As a three-sport athlete, in high school and at Dana College, Ron Huston had quite the sports background, which served him well in helping to organize and manage the Westside High School athletic program for 17 years. Ron began his tenure with the district as a teacher at Arbor Heights Junior High in 1963. He moved to the high school in 1965 as a World History and Sociology teacher. After serving as a counselor, he was promoted to administration and served as Athletic and Activities Director for 17 years from 1976 to 1992. During that time, Westside High School excelled in athletics, winning state championships in many sports. He was recognized throughout the state as a successful athletic director and served as president of NSIAA and was awarded the Nebraska Athletic Director of the Year in 1986. In 1995, Ron received the Nebraska Schools Activities Distinguished Service Award for outstanding service to the state. This is the highest award given by the NSAA. Ronald Francis Huston was born in Omaha, NE. Ron was quite the athlete and excelled in baseball at Benson High School, where he graduated in 1955. Later that year, Ron enrolled at Dana College along with his high school sweetheart and future wife, Janice Plath, and made an immediate impact on their basketball and baseball teams. He was selected to the All-Conference teams on numerous occasions throughout his college career. As a senior in 1959, Ron was selected as Athlete of the Year for Dana. In 1958, Ron and Jan were married and have three children and seven grandchildren all still in the Omaha area.
